

A woman with dark hair and glasses is shown in profile on the right side of the frame, looking towards a three-tiered dark wood shelf. The shelf is filled with various Japanese art objects. On the top shelf, there is a metal candle holder with two wooden handles, a tall black vase, and a brown textured vase with dried flowers. The middle shelf features a white ceramic bowl with a brown rim, a black vase, and a stack of books, including one titled '茶の美術' (Tea Art). The bottom shelf has a white ceramic object with a large handle, a small brown vase, and two brass candle holders. The background is a plain, light-colored wall.
